FORT TOTTEN PARK

THE TEE-TONES, DOO-WOP CONCERT

Cross Island Pkwy between Totten Ave and 15 Rd

In partnership with Kupferberg Center for the Arts
+ City Councilmember Paul Vallone

Inspired by the legends of classic Rhythm-n-Blues and the street corner Doowop group harmonies that gave birth to Rock-n-Roll, The TeeTones are bringing back that incredible sound we all grew up on but few left can imitate. The TeeTones are a four member a cappella singing group from New York City (when not accompanied by their upright jazz bassist or full band), specializing in the great, classic sounds of the Doowop and Motown eras everyone knows and loves. The TeeTones combine soulful group harmony with passionate vocal performances of the classics from the great RnB groups of the 50's, 60's and 70's.

ALL THOSE ATTENDING THE CONCERTS ARE ADVISED TO BRING CHAIRS AND/OR
