Join Vic (keyboard/guitar), Bill (drums) and Jim (sax/trumpet), as they bring back those wonderful memories of people, places and events throughout the decades, and pay tribute to the great artists whose songs have been the “soundtrack of your lives”.

Sing along and dance to the music from the DooWop, Rock and Roll and “British Invasion” eras, and enjoy timeless “Pop” and “Story-Telling Country” tunes. Some “one hit wonders” are credited to artists who never had another hit, but their lyrics will never be forgotten. Other songs will remind you of award-winning motion pictures, as you vividly remember the actors and scenes from your favorite movies.
