PRESIDENT'S MESSAGE

I am happy to invite you all to the May meeting of the Broadway-Flushing Homeowners' Association. YOUR Association has been busy over the long winter meeting with our elected officials and the New York City Department of Buildings regarding land use issues and generally keeping an eye on the neighborhood. Many homes are being demolished and renovated and we continue to watch (with your help) to make sure that everything is done safely and legally. We have many exciting updates to share with you including a Bill past this week by the New York City Council and are looking forward to seeing you on the 18th. We will also be urging our members to send letters to the NYS Senate and assembly supporting Senator Avella's Bill to create an architectural district in neighborhoods like Broadway-Flushing. Please visit the Broadway-Flushing Homeowners' Association website for all neighborhood events and happenings plus historical information and photo galleries: www.BroadwayFlushing.org Lastly, please mark your calendars for an exciting family event in Bowne Park. Our Association is co-sponsoring a concert with Bowne Park Civic Association on June 4th featuring the MIKE BARRY GROUP!

We hope to see you there at the Membership Meeting and Concert -- Janet McCreesh, President
